

SPIRITUALITY

saturday

For more than eight years, Christ the King Cathedral had a thriving Men's Spirituality Group. As topics broadened, so did our appeal and monthly gatherings drew both men and women. Beginning on November 5, 2016, the group has a new name - **Saturday Spirituality**.

We strive to provide topics that help us become good children of the Father, imitate our brother Jesus and venerate our mother Mary. We ask Jesus to reveal himself to us, to love others through us and to discipline us. Finally, we seek to do our share in carrying out Christ's mission.

Join us on the **first Saturday of every month** for prayer, for fellowship and to hear from a notable speaker. **We meet at 9 a.m. in the Parlor** (room off of the Gathering Space where coffee and donuts are served after Mass). You don't have to RSVP; simply show up.
