POLICY CONCERNING RETREAT PRAYER AND MINISTERING

The Association of the Ambassadors of the Flame of Mercy in Shallowater is a sanctuary of grace and our home. This Association of Laity of Christ's Faithful is called to teach and operate in the fruits (Gal. 5:16-26) and gifts (1 Cor. 12:1-11) of the Holy Spirit, which may include laying on of hands in prayer, praying in tongues, receiving words of prophecy, visions, and many others. We understand that these gifts of the Holy Spirit may not be familiar to some, and we are happy to share about them to bring understanding and the fullness of the Trinity to all. Remember, this Association of Laity consists of families bringing Christ into life's daily issues with joy.

With your signature on this form, you consent for us to assist you with prayers and use our gifts of the Holy Spirit during this retreat, asking the Lord God to remove anything from you that is keeping you from giving your heart totally to God.

Please note that the Ambassadors' retreats are not held in a church or on church property, but at our private association retreat center and our home where the rules may be different than you are used to. If you have questions about this or any other aspect of our retreats, call us (Carolyn @ 806-773-5147) for information as you prayerfully consider attending.

SILENCE YOUR PHONES & ELECTRONIC DEVICES

Only phones being used as a medical device are acknowledged as being necessary during our retreats. If you have a tendency towards addiction to your electronic devices, we offer that they can be turned in to a minister during the retreat. Your first night here you may want to call and let loved ones know you will be unavailable for the weekend. Do so with our blessing, and then turn your devices off. Those who can monitor themselves and refrain from using their devices during the retreat are encouraged to do so.

If an emergency arises and someone needs to contact you, we suggest they call the ministry at 806-473-9563, and we will contact you. If, during the retreat, you have a special need to call out from the retreat center, please get with one of the ministers so we can assist you.
